HVAC Improvements — Primary Road Fund

Purpose and History

Since FY 2006, the General Assembly has made appropriations to improve existing heating, ventilation, and air conditioning (HVAC) systems in the Iowa Department of Transportation (DOT) buildings. The DOT manages 218 field facilities statewide, including 102 maintenance garages. This appropriation replaces exhaust and radiant heating systems that are outdated. In FY 2018, 24 DOT facilities utilized the appropriation for improvements to their HVAC systems.

Funding History

These resources are appropriated from the Primary Road Fund in the annual Transportation Appropriations Act.
